

The library is a bright and welcoming space in the middle of the school - it is central to Mount Carmel. It serves as a place of learning and calm and is a social space where clubs and workshops take place.

Each year we organise visits from authors, storytellers, organisations who can teach us something new and who our students become involved with. We invite family members and friends to visit the library. We also host visits from librarians and teachers from around the country and Europe. We partner with our Home School Liaison department on inviting parents and guardians to visit the library.

Learning by sharing our lives, seeing new things and appreciating the world around us is important.

Here are a few photos from events in 2026 at Mount Carmel.

 **WELCOME TO** 
MATHS
 **AT MOUNT CARMEL!**
FOR 1ST, 2ND & 3RD YEAR PARENTS

WHAT'S IT ABOUT?

- ✓ How Maths is taught in Junior Cycle
- ✓ What your daughter will be learning
- ✓ How homework & assessments work
- ✓ Simple ways to help at home

 Friday 17th October

WHY COME 

-  Meet the Maths teachers
-  Understand the new curriculum
-  Get tips to support your daughter
-  Enjoy a cuppa & chat

 11.00 – 11.40 a.m.
School Library

Contact Katie Collins
for more information

We invite our parents to come into school and learn too.

Storyteller Niall De Burca

Christmas Advent Calendar made by our students.
